Bay Ridge on the Move was created in 1987 through the initiative of the Bay Ridge Council on Aging, with the support of the late Assemblywoman Eileen Dugan, Harbor View Car Service and Lutheran HealthCare. The program receives funding from Lutheran HealthCare, New York State Office for the Aging, Senator Martin J. Golden, passenger contributions, and community donations.

This publication was funded by a grant from the office of New York City Council member Vincent J. Gentile.

Services for Older Adults is a Lutheran Family Health Centers program designed to help support our neighbors. The program has a full array of services that include wellness activities and health education; housing and supportive services; access to medical and rehabilitative care; social adult day programs; homebound meals; and long term care.
