

The Best Rated Hospital, AGAIN!

Lutheran Medical Center.

The **LUTHERAN MEDICAL CENTER Stroke Center** was just awarded the 2007 **Silver Performance Achievement Award** by the American Heart Association for excellence in stroke care as part of their "Get With The Guidelines" program.

Lutheran's Stroke Center received the highest rating, and was the **only** hospital in New York to receive this designation. The Silver Award recognizes hospitals that demonstrate at least 85 percent compliance in meeting all the guidelines for 12 consecutive months.

Lutheran does that, and much more.

In addition, Lutheran Medical Center is a New York State designated Regional Stroke Center and certified as a Primary Stroke Center by The Joint Commission.

So, when you think of excellence in Stroke Care, think Lutheran.
